### DETAILED ACTION

In the decision of the Board of Patent Appeals and Interferences on 9/29/04, the rejections of record were reversed and have been withdrawn. The claims [11-14] are allowable.

This application is in condition for allowance except for the following formal matters:

The specification is objected to. See the Official Actions mailed 6/03/03 and 1/14/03, for improper incorporation by reference. The Board made no opinion as to the propriety of this petitionable matter which is still outstanding. See 37 CFR 1.181.

The application also contains claims withdrawn from consideration with traverse in response to applicant election with traverse , filed 3/15/02. Applicant is required to cancel these claims or take other appropriate action within the response period set for the instant Official Action. No action taken, within the response period, on the withdrawn claims will indicate authorization for the examiner to cancel the withdrawn claims by examiners amendment.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
